

## Product datasheet

# Rabbit Anti-Human IgG H&L (FITC) preadsorbed ab7156

### 概述

|        |                                                               |
|--------|---------------------------------------------------------------|
| 产品名称   | 兔抗人IgG H&L (FITC)预吸附二抗                                        |
| 宿主     | Rabbit                                                        |
| 靶标种属   | Human                                                         |
| 经测试应用  | 适用于: IHC-P, IHC-Fr, ICC/IF, Immunomicroscopy, Flow Cyt, ELISA |
| 最小交叉反应 | Mouse                                                         |
| 免疫原    | human whole molecule                                          |
| 偶联物    | FITC. Ex: 493nm, Em: 528nm                                    |

### 性能

|      |                                                                                                                                                                                                            |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 形式   | Liquid                                                                                                                                                                                                     |
| 存放说明 | Shipped at 4°C. Store at +4°C.                                                                                                                                                                             |
| 存储溶液 | pH: 7.60<br>Preservative: 0.01% Sodium azide<br>Constituents: 0.88% Sodium chloride, 1% BSA, 0.42% Potassium phosphate                                                                                     |
| 纯度   | Affinity purified                                                                                                                                                                                          |
| 纯化说明 | This product was prepared from monospecific antiserum by immunoaffinity chromatography using human IgG coupled to agarose beads followed by solid phase adsorption(s) to remove any unwanted reactivities. |
| 共轭说明 | Diaminotriazinylaminofluorescein (DTAF) (Molecular Weight 530 daltons) Absorption Wavelength: 495 nm Emission Wavelength: 528 nm Fluorochrome/Protein Ratio: 2.3 moles DTAF per mole of Rabbit IgG         |
| 克隆   | 多克隆                                                                                                                                                                                                        |

### 应用

Our [Abpromise guarantee](#) covers the use of **ab7156** in the following tested applications.

The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

| 应用               | Ab评论 | 说明 |
|------------------|------|----|
| IHC-P            |      |    |
| IHC-Fr           |      |    |
| ICC/IF           |      |    |
| Immunomicroscopy |      |    |
| Flow Cyt         |      |    |
| ELISA            |      |    |

**应用说明**                                  Suitable for immunomicroscopy and flow cytometry or FACS analysis as well as other antibody based fluorescent assays requiring lot-to-lot consistency

**Please note:** All products are "FOR RESEARCH USE ONLY AND ARE NOT INTENDED FOR DIAGNOSTIC OR THERAPEUTIC USE"

#### Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
  
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit <http://www.abcam.cn/abpromise> or contact our technical team.

#### Terms and conditions

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
