Human TRAIL R2 Antibody Pair - BSA and Azide free ab244087

3图像

概述			
产品名称	人TRAIL R2抗体Pair - BSA and Azide free		
检测类型	ELISA set		
范围	78.13 pg/ml - 5000 pg/ml		
种属反 应性	与反应: Human		
产品概述	The Antibody Pair can be used to quantify Human TRAIL R2. BSA and Azide free antibody pairs include unconjugated capture and detector antibodies suitable for sandwich ELISAs. The antibodies are provided at an approximate concentration of 1 mg/ml as measured by the protein A280 method. The recommended antibody orientation is based on internal optimization for ELISA-based assays. Antibody orientation is assay dependent and needs to be optimized for each assay type. Both capture and detector antibodies are rabbit monoclonal antibodies delivering consistent, specific, and sensitive results. For additional information on the performance of the antibody pair, see the equivalent SimpleSter ELISA® Kit (ab233614), which uses the same antibodies. However, due to differences in their formulation, this antibody pair cannot be used with the consumables provided with our SimpleStep ELISA Kits. Please note that the range provided for the pairs is only an estimation based on the performance of the related product using the same antibody pair. Performance of the antibody pair will depend on the specific characteristics of your assay. We guarantee the product works in sandwich ELISA, but we do not guarantee the sensitivity or dynamic range of the antibody pair in your assay.		
经测试应 用	适用于: Sandwich ELISA		
平台	Reagents		
性能			
存放说明	Store at +4°C. Please refer to protocols.		
无载体	是		
组 件		10 x 96 tests	
Human TRAIL R2 Capture Antibody (unconjugated)			

组 件		10 x 96 tests
Human TRAIL R2 Detector Antibody (unconjugated)		1 x 100µg
功能	Receptor for the cytotoxic ligand TNFSF10/TRAIL. The adapter molecule FADD recruits caspase-8 to the activated receptor. The resulting death-inducing signaling complex (DISC) performs caspase-8 proteolytic activation which initiates the subsequent cascade of caspases (aspartate-specific cysteine proteases) mediating apoptosis. Promotes the activation of NF-kappa-B. Essential for ER stress-induced apoptosis.	
组织 特异性	Widely expressed in adult and fetal tissues; very highly expressed in tumor cell lines such as HeLaS3, K-562, HL-60, SW480, A-549 and G-361; highly expressed in heart, peripheral blood lymphocytes, liver, pancreas, spleen, thymus, prostate, ovary, uterus, placenta, testis, esophagus, stomach and throughout the intestinal tract; not detectable in brain.	
疾病相关	Squamous cell carcinoma of the head and neck	
序列相似性	Contains 1 death domain. Contains 3 TNFR-Cys repeats.	
细 胞定位	Membrane.	

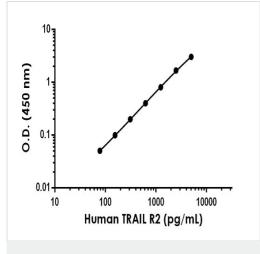

应用

The Abpromise guarantee Abpromise™承诺保证使用ab244087于以下的经测试应用

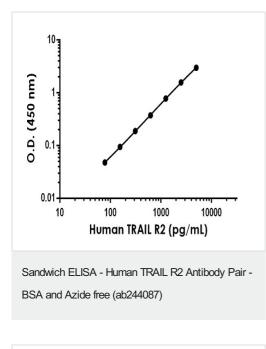

"应用说明"部分下显示的仅为推荐的起始稀释度;实际最佳的稀释度/浓度应由使用者检定。

应用	Ab评论	说明
Sandwich ELISA		Use at an assay dependent concentration.

Sandwich ELISA - Human TRAIL R2 Antibody Pair -BSA and Azide free (ab244087) Representative standard curve from corresponding SimpleStep ELISA® Kit (<u>ab233614</u>), which uses the same antibody pair. For additional information on the performance of pair and kit, refer to the corresponding kit datasheet. Due to differences in the formulation and format of the antibodies in this pair, they cannot be used as substitutes for the antibody components in our SimpleStep ELISA® Kits.

Powered by recombinant antibodies Research with Long-term and confidence scalable supply Consistent and Recombinant technology reproducible results Success from the Ethical standards first experiment compliant Confirmed Animal-free specificity production

Sandwich ELISA - Human TRAIL R2 Antibody Pair -

BSA and Azide free (ab244087)

Representative standard curve from corresponding SimpleStep ELISA® Kit (**ab233614**), which uses the same antibody pair. For additional information on the performance of pair and kit, refer to the corresponding kit datasheet. Due to differences in the formulation and format of the antibodies in this pair, they cannot be used as substitutes for the antibody components in our SimpleStep ELISA® Kits.

Our Abpromise to you: Quality guaranteed and expert technical support

- · Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit <u>https://www.abcam.cn/abpromise</u> or contact our technical team.

Terms and conditions

• Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
